

Tom and Janet Griffin

Tom's lifetime career was devoted to sales with a Global Manufacturer including 28 years as the NYC branch manager; he received many Awards for Top Sales Office. Janet's career was divided between Institutional Sales on Wall Street and the field of Education. As a team they began their real estate career in the New York metropolitan area and later relocated to the Jersey Shore where Tom and Janet continue to take pride in attention to detail and in understanding their clients' needs. Through the local Board of Realtors and Century 21, they continually train in the latest trends in the marketplace. "It is our goal to offer our clients the most professional service possible." As a team, they offer virtually round-the-clock attention and emphasize the importance of both Team Work and Hard Work for Results!
